

The following plan was adopted on Wednesday 15 April

On April 20, DIY stores, garden centres and garden centres will open again.  
It is possible to contact a person who does not live in your own household.  
So you are allowed to walk or jog with a neighbour.

On April 27th all shops that are not bigger than 800 square meters are allowed to open. In the case of 800 square meters, a maximum of 40 people may be in the shop at the same time.

From 04 May hairdressers and chiropodists can open their shops.  
Restaurants, cafés and pubs will remain closed.

From April 27, students who have final exams this year can go to school.

Primary school and kindergarten will remain closed.

Please wear masks on public transport and in shops.
